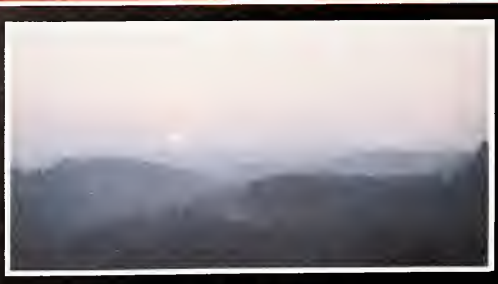
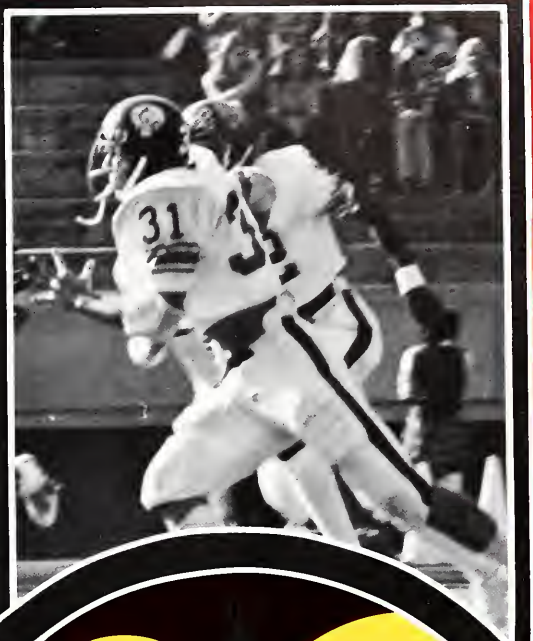
A Time Of Projection . . .



Reflection . . .



A Time Of Confidences

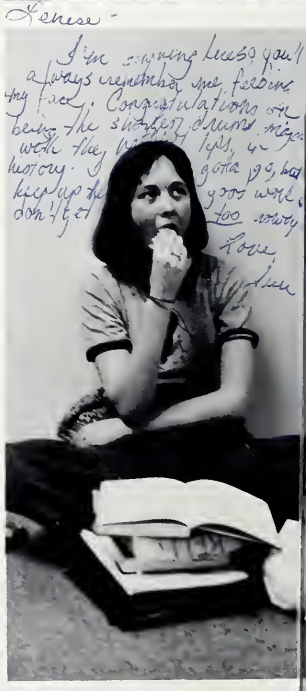
But Most Of All

It Was The Time Of Times!



What Is Time?

Time Is . . .

the period between two events
or during which something exists,
happens, etc . . .

the exact or proper instant,
hour, day, year, etc . . .

the passing hours, days, years,
etc.-every moment there has
ever been or ever will be . . .

It can be counted, remembered,
and planned, but there never
seems to be enough of it . . .
It passes so quickly.
What is Time?

How Much Time?

A life time

a long time . . .
about a year
the other day . . .

hold on a minute . . .
give me just one second

at one time or another . . .
from time to time

I'll be there in two minutes . . .
how long?
just a minute . . .
wait a second . . .

TOMORROW
YESTERDAY
TODAY
When?
the other day

I'll be there in no time

on time

time and again

Do you find yourself using
these phrases often?
JUST HOW MUCH TIME IS THERE?

SOPHOMORES

PEP Come on Now...

The 1976 Sophomore Class has to be one of the most spirited groups of people in Athens. Although they never won the spirit stick at a pep ralley during the football season they added to the excitement of them, the games, and other school activities. The two sophomores on the varsity cheerleading squad, Ellie Malinowski and Sandra Pittard, help in arousing the sophomore spirit at pep ralleys.

DO YOU WANNA DANCE?

"Do you wanna dance?" was a familiar line at this years homecoming dance. Many sophomores were making their first appearance at a Cedar Shoals Homecoming dance and were delighted at the outcome. Full of life, they danced to the music of The Fabulous Tropics. When Ellie Malinowski, Tina Parrott, Sue Kelly, and Kim Frazer were presented as the four girls representing the sophomore class on this years homecoming court they roared with satisfaction and support. This years dance was a success in the eyes of many sophomores, who are already asking- "Do you wanna dance- next year?" It's never too soon!

Varsity Football

Although the Varsity Jags had a good season finishing with an 8-2 record, there were still a couple of disappointing losses. The Jags lost the season opener to Clarke Central 15-14, which was the Varsity's first loss ever to Clarke Central. The Jags also lost the sub-region title to Peachtree in a muddy battle that ended up 8-0 in favor of Peachtree. Despite these two losses the Jags had a good finish with a big win over rival Lakeside. There were also big wins over Chamblee 33-7, and Gainesville 10-7.

HOMECOMING PARADE

The 1976 Homecoming Parade was a big success. The Parade featured floats, the homecoming court and the band. The floats represented the hard work of many organizations. The floats were judged and a first and second prize was awarded. First prize went to the Interact Club and second prize went to the Varsity Cheerleaders.

STATE

Spirit Of '77

Long hours of practicing, beating the heat or cold, working for one main goal. These all sound like characteristics of the typical Cedar Shoals athlete. They also apply to our Varsity Cheerleaders.

The 1976-77 squad was compiled of 12 girls which were selected on the basis of their cheerleading skills. These skills not only include basic cheerleading fundamentals but also excellent grades, outstanding personalitïes, qualities of leadership and sportsmanship.

The girls attended NCA camp at the University of Georgia this summer. They received a NCA Spirit Stick and 4 Superior Ribbons when evaluated each night.

The Varsity Cheerleaders, sponsored by Mrs. Salena Warlick, also participate in such activities as painting signs, selling pep ribbons, planning and carrying out pep rallies, treating the players before games. While entering the homecoming competition this year, the girls megaphone float received 2nd place.

B-Teamers Work Hard

Working in the shadows of others is a task that is known very well to a set of girls here at Cedar Shoals. Our B-Team cheerleaders cheer for many teams here and get very little recognition.

The B-teams cheerleaders attended NCA camp this summer and received more superior ribbons than any other B-team squad at our school.

These girls are sponsored by Mrs. Salena Warlick. They have worked hard this year and each one would deserve the honor of being chosen as a Varsity Cheerleader in the spring as many will. We appreciate them for a job well done.

Warlick's Jags One Happy Family

By BILLY HARPER
Banner-Herald Sportswriter

Drew Harvey came down the lane and Anthony Arnold, passing up a pretty sure shot for himself, fed Harvey perfectly for an easy layup.

In years past, with different people in the same situation, the guy coming in for the layup may never have touched the ball.

Not only would a black sometimes hold off passing to a white, but a white would hold off throwing to a black and a black wouldn't throw the ball to another black person.

It may not have had anything to do with your skin color, but the guy with the ball wanted to shoot.

This year's Cedar Shoals basketball team is different. Don Warlick calls it the best team he's ever had, not necessarily in terms of talent, but in giving up the ball, passing it around, hitting the open man.

It would be nice to write that Cedar's 12-0 at this point in the season, but the Jaguars are 8-4. Not bad, not bad at all. But in the past, Don Warlick-coached teams have developed a reputation for losing very few basketball games.

This year's club is the youngest he's had, though, and that 8-4 record is probably equivalent to an 11-1 mark at this stage in some other bygone season.

And even though Cedar's been beaten four times, don't count Warlick's Jaguars out of anything yet. They still have plans in March to go to the state tournament in Atlanta.

"This is really a unique bunch and I think their great team attitude will pay off," Warlick said as we talked the other day. "This is really just a great team situation. I'm really having a great time coaching this bunch.

"We're just one big happy family. Our whole program here is built around the word 'team.' And this year's group really believes in each other."

In the past, there've been some jealousies, as there are on most any team, but the current Jaguar team is one of the most close-knit groups Warlick says he's ever seen.

The lone white starter, Harvey, is also the team captain. He was elected by a near unamious vote. "There may have been one person who didn't vote for him and that vote was probably Drew's for somebody else.

"He gets along with everybody and everybody else on the team gets along. The guys are unselfish and that's what makes them the best team I've had.

"As an example, the other night, Lester Rackins had an easy basket, but he laid the ball off to Amp instead of taking the two points for himself. He wanted to see if Amp could dunk it. They don't care who scores, just as long as the ball goes in the hole.

"And, in my opinion, that's what it takes to have a good team."

Over the past couple of years, Warlick has had his share of good teams. The Jaguars reached the semifinals of the state tournament last year, then made the quarters the previous two years.

VARSITY SOCCER

This year's Soccer Team had a disappointing season, with losses to Berkmar and Clarke Central letting them down. The highlight of the season was a win over highly regarded Johnson. Throughout the season the Jags were hit with many injuries which in return disrupted their play, but with only four seniors graduating off the team Coach Watson is looking forward to a Successful Season in 1978. Good Luck!

B-Team Soccer

The B-team soccer team was a special team this year. They played well together as a team, and had a great attitude. This, plus much hard work, the help of Coaches Woody and Reeves, and the leadership of Myron Adams, and David Williams, (the team captains) helped paved the way to a very successful 8-2 finish.

A 4-0 victory over Marietta, plus a 6-0 and 4-1 victory over Clarke Central highlighted the season.

Soccer Cheerleaders

Being a Soccer Cheerleader means SPIRIT . . . and these girls have plenty of it. It starts with a lot of hard work at summer camp (coming home with 1 red and 2 Superior ribbons, and a spirit stick,) painting signs, making goodie bags, and hours of practicing.

Interact

The Interact club started out the yearly activities by designing and building a float for Homecoming. Their usual design and theme, "Can the Comets" won them first place. On Halloween the club went to the Recreation Center in full and appropriate garments and gave a big party, Much to the delight of all members, the club was invited to tour the Westinghouse Building, which was interesting. In view of Mrs. Mauldins death, the club contributed some money to the American Cancer Society in her name. Later in the year they will start money drives to add to her treasury. In April they will go to Hilton Head S. C. for their District Convention. They are also trying to improve correspondence between districts. Junior Civitans is a club that promotes good citizenship through school and community involvement. This year, they have been striving to do just that through many projects. Some projects they have done this year have been: sponsoring a Halloween party for the senior citizens and honoring a citizen of the month, from the Senior class. Jr. Civitans also do fun things for their members; like attending a District Christmas Ball in Atlanta, having car-washes or going to District Council Meetings. They have many plans for the remaining of the year, such as: a Blood Drive, "share-A-Valentine", Collecting for the National Association for retarded children and going to a convention in Jekyll Island.

Out of high school and into...what?

Into the Navy. If it's opportunity you're after. And challenge.

The opportunity to train for highly-skilled jobs, if you qualify.

The challenge of good hard, meaningful work. Doing your own job. Leading others.

And there's that wide world out there to travel. With all the excitement. Fun. Friends. And your share of decks to swab and chores along the way.

A good job. A good life. The Navy: It's a good deal. Talk to your Navy recruiter. Today. He can tell you what you qualify for before you enlist. Or phone **800-841-8000** toll-free. Anytime.

I'm really . . disappointed (?!) that I didn't get to talk to you much. It wasn't the same w/out your weird sense of humor around. Okay, I'll be serious. . . Anyway, you're a fantastic person & I'm glad I know you. Good luck next year, don't become a dictator!

You may crack up when you read this but every-
bit of it is true. I'm so sorry I couldn't have been with you more
during the football games! I know when the first time you saw me
you must have thought I had a pretty big mouth. I hope you know
how much I think about you (since I call a certain person that
won't call me!)! This is the honest truth. You are the person I
admire most in this whole world! You may think it's a lie
but give me (me) a stack of bibles (Matthews)? I can't write down
half of what I want to say. I know I don't know all about you-
but I know enough to like you so much. It makes me mad to think
everybody else likes you too! I know Kim is
probably your best friend (especially since I'm a freshman!) but please
try to treat me like one!

Louise,
you are still as crazy now as when you were in Mr. Booth's class. To bad we won't be in Algebra II together next year, but I couldn't learn anything with you in there anyway. Congrats in being Drum Major next year and I might even consider coming to a game and watching you in action. Stay nice (not that you ever were)

Liz

Jessica, well, next year's drum major, I'll tell you it's an appropriate choice, you'll keep us (laughing (little yes) good luck, I think it really is great.

↳ Well, now for the mushy, gushy stuff. We really have had some wild times and I'm glad I got to share them with you. I'll never forget how I thought you told me "everything." But then one day you told me about how you, Steve, Gary, & Ellen went drinking in the woods (who knows what else) Oh well, now I know everything "right"? It's hard to explain how jealous I've become of all of your other friends. (Ellen, Lisa, etc.) I'm sorry, I shouldn't be. I love you so much and I hope we're always best friends. I love you,

Kim

Dear Denise,

This will probably cover about 4½ pages but I'll begin now anyhow so Kisa can't take over my first page. There are a lot of incidents we need to remember. Many of them writtable but some of them we'll just have to preserve in our minds so as they won't be shared by anyone else. We have really become close, close friends lately (slave & master) ¿No? I hope that next year with you being drum major and me being a "hell raising senior" that our friendship won't fall apart. I have a feeling that we are going to be even closer this summer. Have fun at drum major camp. Meet some good-looking guys for me too.

There are so many times to remember... a lot of them are written in my yearbook... but since we shared them together, here they are again. The years we've had together seem to all mix together in one happy slump! You getting D.M. not necessarily the climax!... the reception you got for getting D.M. from D.M. might be considered the climax ¿No? Yes! you've gotten me through some tough times and I really am grateful. Without you I may not be here today. Seriously! Remember... "What are we going in here for?"... Sally J.... the dream... our dream after graduation... modelling, stewardess, street-walking.... tuna-fish casserole... my dad... two cylinder truck... your mother... Scatis car... Mike Hanson (sorry)... the T-shirt, cameras.... Panama.... BJ or RJ (whatever)... "I ain't feeling no pain"... "Daryl help me"... passing out on the floor and crawling back to bed.... Tom's party.... spilled drinks.... lies about Steve (the fun, lasting, honest relationship we have is unforgetable)... Mr. Collis... Madelyn... ? (couldn't resist)... Christmas party practise room ... Russian tea... your twin cousin (or brother)... your popularity increasing.... parties... Danny's graduation party last year... Walter.... "I'll take care of it Mr. McClure"... (but you didn't).... massages... Boyd... you getting first chair and me sixth... "you bitch" "I don't call your names"... the questions I ask.... the answers you give.... ↩

Lenise,

I'm really glad for you, that you got the "drummajorship". I was pulling for you all the way (even though I bet against you). I really didn't think you would win. I must have underestimated you. You are a great girl & the best "girl" trumpet player I've seen. It was fun having you in band this year. I- back to the drum major. I'm probably going to make it as well, see you

Love,
Marc

Lenise
Remember stage band workshop? Need I say anymore? Its been fun this year and I hope you raise hell as a senior and keep up our tradition.

Love
Tiwa

LENISE,

IT WAS NICE KNOWING YOU THIS YEAR. AND I KNOW YOU WILL BE A VERY good drum major

Doug

lenise!
Good luck in being the drum major for the band. I will need it because I am going to make myself known in the position (Ha Ha). Good luck with Human Biology (Bleah) and Trig (Barf).

Well Lenise, I expect to have an inside line to Mr. Lure's office next year seeing how the drum major happens to be one of my best friends. We've been through a lot of things this year, both good and bad. Crap, I can't ever think of anything to say (ya know how I feel anyway) so I'll stop here.

Love, Ellen

P.S. Don't take any shit from anybody. (just a bit of rare advice)

Lenise,

I'm glad I got to know you better this year. You're a very nice person! Congratulations on making Drum Major, Allstate, band awards, etc. Remember going to Allstate with Laugh Arm (85 m.p.h. on passing). How it funny then wasn't. See ya this summer maybe.

Love,
Michele

Lenise,

I would like to say I'm glad to know you & I wish you the best of luck in being a Drum Major. I know you will do an excellent job & I wish you the best of luck... See you next year.

Mr. M

Denise, You have been so nice and I have enjoyed knowing you. I'll make a deal with you if you take the breakfast club with you in the Brew. Just kidding. You will be the best drum major ever. I wish you would get a little sleep though. I want you to can to the pool sunday. My dad has a stall want to room with you at bamana next year. so that a deal! Good luck as drum major, and have a good summer.

Love,
Anna Howat.

P.S. Hanson to make Hanson, you wouldn't want that thing to get away, he is such a good catch

Denise,
It's been a great year. U.N. Nat. was interesting. Next year should better though. We'll be bananas. Don't forget the "booster". I think I'll get him to take me to the prom next year. He is cute. Good luck in the future and drum major. You got to keep them in line. Stay sweet and see next year.

Love
Angie
